YEAR BOOK

2016-2017

A BRIGHT BUNCH

Learning Lab's Board of Directors contributed effective leadership and strategic direction throughout the year. They also provided financial management, IT support, and continued to advocate for Literacy for All. Additionally, our Board members volunteered as classroom tutors and raised funds for student scholarships.

PRINCIPAL'S CORNER

A record year! Hat's off to our dedicated staff and volunteers! Because of their efforts, kindness and compassion, and the financial support from generous donors, Learning Lab served more students than ever! Full classes, including new outreach programs, provided opportunities for 443 students to improve their literacy, earn their GEDs, study for citizenship tests, and helped preschoolers get ready for kindergarten. New partnerships created more resources for students. Lunch for Literacy sold out with a record 1000 guests and more than 50 sponsors. We hope you enjoy this light-hearted portrayal of our "school year". Thank you for caring and believing in Literacy for All.

LEARNING IS FUN

Family Literacy

Celebrations!

Our Family Literacy Program educators incorporated learning into creative activities for our young students. Dressing up, building snowmen and **READING BOOKS** made every day a fun adventure!

LEARNING IS FUN

Family Nights

Moms, dads, sisters, brothers, even cousins & grandparents joined in creative literacy activities during Family Nights!

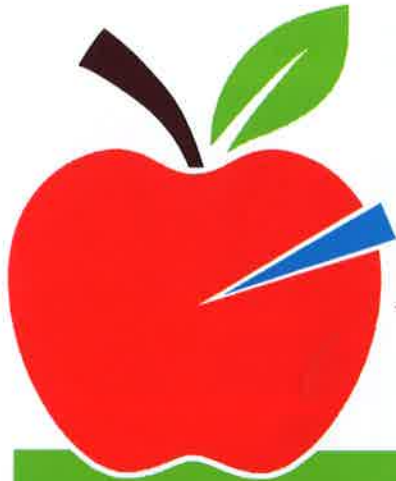

Preschool Graduation

READY, SET, GO! These graduates gained the skills and confidence they will need to succeed in kindergarten. They made us so proud!

STUDENT SCHOLARSHIPS

Fees paid
by students

Donor
Impact

97% of Learning Lab's students have low or very low household incomes and cannot afford to pay for their classes. Your donations fund scholarships and pave the way toward a brighter future.

NEW OUTREACH PROGRAM

This year, we expanded our family literacy program beyond our traditional classrooms. Rather than families just coming to us, we went to them – right in their own neighborhoods. Partnering with NeighborWorks Boise, Congregation Ahavath Beth Israel, the LDS church and the Library! at Collister, Learning Lab teachers and tutors engaged neighboring families in literacy activities aimed to benefit every family member!

THE BIG GAME

Lunch for Literacy

Lunch for Literacy 2017 was our largest event yet and a great success! Author Steven Rowley charmed the record crowd of 1,000 guests who generously bid on auction items and donated funds for student scholarships and supplies. THANK YOU TO ALL WHO ATTENDED!
